TINGIRA AHOY!

It was a bit windy for the sail boats last Sunday but there was a good turn-out of paddlers who ventured out in the outrigger canoe.

The Dragons and Outriggers welcomed new friends and members and it was a top day loved by all.

TINGIRA AHOY!

It was a matter of take a number and wait for your turn on the outrigger. Lyn with five new female members and two new male members wait their turn to paddle in the outrigger.

Geofabric Mat Roll-Out - A Big Thankyou to the Volunteers

A big thank you to all the volunteers who turned out early on Saturday morning to assist in rolling out and putting into place a length of Geofabric matting to extend our launch and retrieval area.

An additional 100m of Geofabric mat was rolled out and held in place with temporary sandbags until it settles.
