Tingira Sailors Gain a Creditable Result at Jubilee Nationals

Photo of Stella's crew, Alison Early, Tony Harland and Tim Robinson receiving the trophy for the best (only!) Qld boat at the Jubilee Nationals held in Sorrento Vic.

Local sailors Alison Early (Lamb Island), Tony and Lyn Harland (Pt Talburpin) and Tim Robinson travelled all the way to Sorrento in Victoria to participate in the Jubilee National Championship. This meant quite a long, long road trip towing their Jubilee **Stella** behind them.

Stella sailed by Alison, Tony and Tim finished 5th overall which given the professionalism of many of the crews participating in the Aussie championships is quite a creditable performance

3 Million Cheers for our Tingira Sailors!

Tingira Start Sailing Session Last Sunday

Last Sunday's "Start Sailing" session commenced indoors with a brainstorming session and discussion entitled *Basic Safety Afloat - Making it Safe and Fun*.

Participants brainstormed and discussed how to prepare and plan a trip out on the water to ensure it was both safe and fun.

After a lively discussion it was outdoors to rig the vagabonds and take them for a sail.

Tingira Big Boat Sailing Events Planned for 2018

This year we plan to have a series of four sailing events for big boats culminating in the Calvert Memorial Sailing Event.

The course for the proposed sailing events will be similar to that used for the Calvert Memorial Sailing Event held in October.

Each event will have separate awards but we intend having an overall series winner using the best three results out of the four.

That way, participating crews are encouraged to sail the entire series but are able to miss sailing in one of the events or drop their least favourable result.

The Calvert Memorial Sailing Event will still be sailed as a separate event but the result also included in the overall series.

Awards for the events will be presented at the The Calvert Memorial Dinner.

Owner / skippers of yachts interested in taking part should put the dates below in their diaries. Further information regarding the course details and start times will be published in the near future.

Proposed Tingira Big Boat Series Dates:

Event 1 Sunday 25 March (Start time 11:00am TBC)

Event 2 Saturday 05 May (Start time 11:00am TBC)

Event 3 Saturday 15 September (Start time 11:00am TBC)

Event 4 (Calvert Memorial Sailing Event) Saturday 13 October (Start time 11:00am)

TINGIRA AHOY!

The Tingira Log - (A place to record, collect and share with other Club members your memories and reminisces of your times in the Southern Moreton Bay Islands.)

The Southern Moreton Bay Islands (SMBI) - submitted by Dudley and Billie Kavanagh

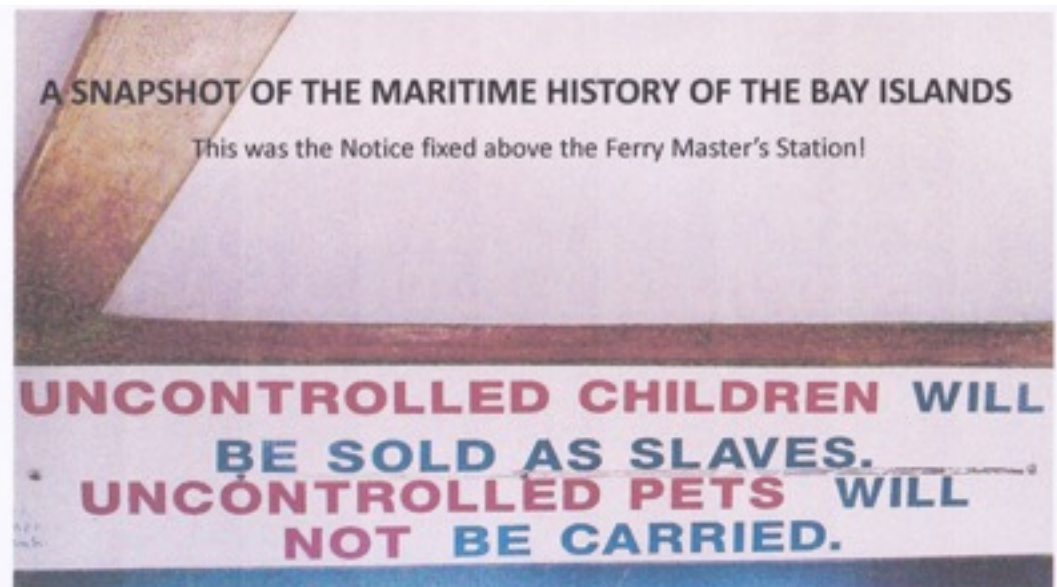

The SMBI were transferred into the then Redland Shire Council by the Queensland Government in 1973 and for most of the next 30 years were, more or less, left in peace and quiet far from the madding crowd.

Billie and myself discovered the Islands soon after relocating with Billie's Mum to Queensland in late 1996. She spotted a photo of a little cottage on Macleay in a Cleveland Real Estate window and wanted to inspect it. This brought us to the Islands. What we found was a remarkable community of people from far and wide with many practical, technical and intellectual skills/experiences and, in a surprising number of cases, with a range of tertiary qualifications. Added to this was the peace and quiet atmosphere devoid both of traffic noise and exhaust pollution. Established Islanders, not surprisingly, tend to have a longer life expectancy. It is against this background that it was no surprise to find the

' Uncontrolled Children will be Sold as Slaves' sign on the Ferry! We were entranced and bought onto the Island.

As time has passed so has change come to the Islands which are now very well serviced by ferries and barges and with excellent Translink connections. But there is still the sense of escape and relaxation when you get back to an Island home, walk the dog, look after the wild life. In the case of Magpies, that is reciprocated, in our 21 years on the Island we have only heard of one person being dive-bombed by a Magpie!

Try that on the Mainland!

When it was founded (in the 2nd Millenium!) by an Island owned Company 'BITS' stood for BAY ISLAND! TAXI SERVICE. This was well before the Long Arm of the Law caught up with the enterprising Privateer and the Ferry journeys were adventures in themselves. They frequently included stopping to watch dolphins at play, dugongs grazing, turtles coming up for air and a trip to the Slave Market for misbehaving children! In those days the working week (for passengers only!) usually ended on the las (6.00pm) ferry on a Friday night with a few Champagnes being downed by some hardworking women.

Ah!, THOSE WERE THE DAYS!!
