Working Bee - This Thursday Commencing at 9:00am

With the Macleay Island Classic less than two weeks away, our Facilities Co-Ordinator, Rob Thompson, is organising a working bee for this **Thursday 10 May** and is asking for the help of Club members who can assist. Cleaning and tidying is required for both the indoor and outdoors areas. **Inside** the ceiling fans, walls and the plastic clear blind needs a clean and the deck floor needs a gurney wash.

TINGIRA AHOY!

(Working Bee Continued)

Outside, a Tingira Boat Club banner needs to be erected on the beach so that the Club is identifiable for those approaching the Club by water.

There is also a need to give the area behind the shed a clean-up and a general yard tidy all round.

During the working bee there will be a cuppa break and time to have a chat.

Members are encouraged to bring some outside or inside cleaning tools and equipment (eg rakes, buckets, sponges, cleaning rags) as there will not be enough on hand at the Club. Many hands make light work so hopefully there will be a good rollup to give our Club a good Autumn Clean both inside and out.

10th Macleay Island Classic Canoe Race - 19 & 20 May

The Canoe Race is now less than two weeks away and we are hoping to create a festival atmosphere to celebrate its 10th anniversary.

On Saturday the individual events for singles and doubles will be held, which will include kayaks, outrigger-canoes and stand up paddlers. Cash prizes will be given to the first, second and third male and female with over 60 category prizes for age and craft.

On Saturday night will be the Gala Event Dinner with the presentation of trophies.

Sunday will see the running of the Team Events, including the OC6s (six person outrigger canoes) and the relay race. Each of these events will paddle around Macleay Island, however the relay race is suited to the less experienced paddlers where in teams of five they take a leg each to paddle around the Island. Local team, the Barracoutas have won the event for the last five years and are looking forward to defending their title.

Holding the event over two days will allow competitors to paddle as individuals on Saturday and stay overnight to compete in the team events.

TINGIRA AHOY!

(Macleay Classic Canoe Race continued)...

In the ten years it has been running the event has built up quite a reputation within the canoeing community. Paddlers travel from as far south as Byron Bay in NSW and from far north as Hervey Bay. Last year the first placed male and female flew back from Melbourne to compete in the event.

The Macleay Island Classic is a community event for the Southern Moreton Bay Islands. Over 60 people volunteer to help run the event. Many of these are Tingira Club members. About a dozen safety boats will be out on the water including those from Macleay Island, Russel Island, the mainland, the Coochiemudlo Island Surf Lifesaving Club and Redland Bay Coast Guard,

The Wynnum / Redlands Canoe Club and Queensland Ambulance Service also support the event.

The event is also well sponsored with three levels of sponsorship:

Gold - Redland City Council

Silver - Bay Island Transport, Pharmacy Essentials Macleay Island, Bay Islands Golf Club, and the Bay Island Early Learning & Care

Bronze - The Haven Gallery, Macleay Island Gifts and Stationery, Boutique Meats, Aussie Whip Maker, Lop, Chop and Chip, Bay-Air Transfers and the The Friendly Bay Islander.

Tingira Club Volunteers

Many club members are involved in the running of this event including those out on the water as race officials, manning safety boats, timing, spotting or those on the shore taking registrations, compiling and recording results, preparing and serving foods, cooking on the BBQ and working behind the bar. If you do not yet have a job and would like to volunteer please contact the event director Commodore Neville Prosser on mobile 0425 798 750

No Vagabond and All Boats Sailing this Sunday

Unfortunately the tide height and times for this coming Sunday 13 May will not favour sailing from the Club beach.
