Tingira Ahoy- Sailing update!

No sailing last Sunday due to 'fresh' winds (15 to 20knot gusts), but after rigging the Corsair, the intrepid team of Bob Stampton and Peter Deane braved the gusty conditions for a brief sail and managed to stay afloat. The corsair handled well and tracked true with the quick release of the main necessary in the challenging conditions.

Thanks again to the starting and safety boat crews for attending. Hopefully our next event will see us again on the water for more close racing - also, to Moss for rebuilding the Corsair trailer. It is certainly a lot easier to launch and retrieve now. We hope to have the Corsair up and running for the remaining 'off the beach' event days so until next time, enjoy our beautiful bay and come down and have a look at the Corsair in action.

Peter Deane,
Sailing Master
