Meatloaf to appear at the Club next Friday!!

Not the singer, thank goodness, but Judy and Bob Sampson's famous edible meatloaf. We've had this delicious dish before and have waited longingly for it to appear again. This will be flavour-enhanced with an exquisite pecan sauce and accompanied with seasonal vegetables – yummy.

Don't forget to place your name on the board by lunchtime Thursday, to ensure there will be enough to go around.

Vale - Michael McMahon

It is with great sadness that we announce the passing of Michael McMahon.

Michael was the third Commodore of the Tingira Boat Club back in the 1980's. We thank Michael along with others who chartered our club to set the foundations for it to become the great club it is today.

Sailing roundup!

The sailors and support crew were greeted with perfect conditions for the continuation of the dinghy winter series events. Well, the day was sunny and perfect, but the winds were fickle leading to only one race being completed and taking over 40 mins for the first boat to cross the finishing line.

However, it was good see John and Anne back sailing along with Ewald sailing with myself, Sue and Craig in the other dinghy. Due to a regatta over the other side of Brisbane we were missing our other keen sailors.

It was a case of being in the right place at the right time to have what little wind that was on offer. Peter and Ewald had a good start, closely followed by the other Vagabond but managed to round the first mark and sailed away with what was left of breeze while John and Anne hung for the final whisper of wind to cross 11 mins later with Craig and Sue unlucky to be stranded and eventually having to be towed home. Whilst the wind eventually arrived after the completion of the race and derigging, it was still great to be out on the water for a terrific day.

Thanks to Don, Bob, and Richard for supporting the sailors in the safety boat and starting crew for the pontoon. I am looking forward to our next event and hopefully a bit more wind on August 17 for Race 4 - until then enjoy the fantastic winter days.

Cheers,

Peter Deane

Sailing Master
