Sailing News

I made the decision to cancel the Calvert big boat event early because of the forecast and so participants could change their plans for Sunday. As it turned out, the cancellation was not needed and it was a beautiful day for sailing. Some took advantage of the good conditions anyway.

Sorry to those who were inconvenienced and let's look forward to the alternative date this Sunday 20th with a start time 12:00pm. Those who haven't put in a nomination, please send them to me or the Tingira team.

A note from the Treasurer

I would like to take this opportunity to thank Neville Prosser and Moss Lane for looking after the finances of the club in my absence. It was most appreciated. As Treasurer of the Tingira Boat Club, I would like to instigate a couple of new processes that will make reconciling the books a little easier for me and clearer for everyone. Firstly, I will be setting up a petty cash system for the club. This will be used to pay for purchases that members may make on behalf of the club and require reimbursement. In future all reimbursements are to be handled in this way. Receipts should be handed to me and I will use petty cash for payments. Please do not give receipts for payments to either the bar volunteers or those selling dinner tickets. By using petty cash, it will be much easier to reconcile the bar takings and dinner ticket sales each week. Secondly, I will be issuing receipts for membership from now on. This will help keep an external record of membership payments. Receipts will be folded and placed in the back of your new name tag. You may also notice that I have updated all the name tags for those who have renewed their membership this year. If your name tag is missing, please let me know and I will look into it for you.

Cheers,

Moya Fox
Treasurer
