TINGIRA AHOY!

From the Secretary.....

As you are aware, the Tingira Boat Club, stopped trading on Monday, 23rd March, 2020. This step was taken as a result of the rules, regulations and restriction put in place by both the Federal and State Governments in order to slow the spread of the Covid 19 Virus.

On Thursday, 26th of March, 2020, a Management Committee meeting was held to discuss the ramifications that this has for our club going forward. It is clear that for the foreseeable future, The Club as a meeting place, for social interaction or aquatic activities must remain closed.

We can however continue to serve meals as long as they are takeaway and not consumed on or adjacent to the club. The committee feels that this will enable members to maintain a connection with the club and for the club to continue to supply a service to members.

All members that wish purchase a **Takeaway** meal from the club **must** place their name on the board at the club house no later than **5pm Thursday**. Your meal will then be available for **pick up and payment from the hatch window in the barbeque area at the rear of the club between 4.30 pm and 6.00pm on Friday**.

This week's menu is "Fish 'n' Chips" served with salad. When placing your name on the board could you please indicate your preference of battered or crumbed by placing a **b** or **c** beside your name. This will enable us to give you the meal of choice and reduce waste.

There will be no service on Good Friday. Service will resume the following week with the menu posted in this newsletter, the board at the front of the club or the Ahoy. **Don't forget to place your name on the board before 5pm Thursdays to secure your meal.** If you can't get to the board you may contact our providore (Kay Chapman) on 0409 057 988 before 5 pm on Thursdays.

It is hoped that this service will mitigate some of the effects imposed on members by self-isolation and social distancing by maintaining our connections.

Keep watch for the next menu.

Yours,

Lee Chapman
Secretary
Tingira Boat Club

Tingira Off-The-Beach Sailing Report (Sunday 22 March 2020)

Race 4 of the Off-the-Beach Summer Series was conducted on Sunday 22 March. It was wonderful to see a fleet of six Jubilee Class Yachts turn up with skippers and crews eager to tune up their boats and practise their sailing skills in readiness for the Jubilee Queensland Championships planned for Easter.

Correspondingly, there was also a good roll up of Tingira volunteers to assist with crewing the club safety boats 'Sandpiper' and 'Tango' and also to assist out on the Pontoon with starting, finishing and recording the races. It was great to see how well our Tingira volunteers have been finessing their skills as race officials.

The first two of the three races were sailed in a light southerly breeze. Skippers and crews had to adopt light weather sailing techniques to get the most from their yachts. The first two races saw some close and competitive sailing. The light conditions provided a good opportunity to practise spinnaker hoisting and setting. The colourful spinnakers of the six Jubilees added colour to what was already a beautiful day out on the water.

A good opportunity to practise spinnaker hoisting and setting

The third race was shortened as the breeze was fading and time (due to the tide) was running short.

'Isobel' (Bruce Legg) was fortunate to round the windward mark before the wind dropped away altogether and make use of the tidal current to sail/drift back to the pontoon and the finish line.

The Jubilee Plate and the Aggregate Point Score

The 'prestigious' Jubilee Plate will be awarded to the aggregate points winner this year.

The plate (currently residing with Tony Harland) is a repurposed silver plate (purchased from an antique shop and not recycled from the dump as a very cheeky Paul Driver quipped) mounted on a cedar backing board.

It has the inscription "For competitions from time to time between Jubilee Class Yachts in the Southern Moreton Bay."

Previous Winners Include:

2012	Stella	Paul Driver
2013	Jason	Tony Harland
2014	Stella	Paul Driver
2015	Lyla	John King
2016	JasonLyn	Harland

So far this year the aggregate points are as tabled below. Hopefully more races will be conducted once we are clear of the virus threat and sailing is reconvened.

Notes:

Low Points Score System 1st = 1; 2nd = 2; 3rd = 3; 4th = 4;

DNS & DNF = number of entrants + 1 for each race

Sadly due to the Covid 19 virus restrictions the Tingira Boat Club has now closed its facilities and suspended all boating activities for the time being.

As a result the Club will no longer be hosting the Jubilee Queensland Championships at Easter as planned and the event postponed for the time being.

On the lighter side.....

THAT'S THE SIXTH WALK TODAY

WTF IS A CORONA

Corona Virus

Into a storm we are about to head
The going is sure to get rough
But we are made of sturdy stuff
And we will weather the storm
For when we come out the other side
And the calm has come to the sea
We may be battered and may be bruised
But will be stronger to continue along
Our voyage of life with our friends

TINGIRA AHOY!

Keep well

Stay Safe

Practise social distancing

I look forward to seeing all Club Members at
the Club in the not-too-distant future
