## Guests of Members

Guests of members are now welcome to our Friday night dinners.

However, we must observe certain requirements set down by our Governments to protect us from the Covid 19 virus.

In case of an outbreak, the authorities need to track down those present at any one time. Therefore, all guests must supply their name, address and telephone number.

If you bring guests to the Club, it will be your responsibility to supply that information. To avoid congestion when booking in, the form below can be filled out prior to reaching the club.

Guest names must also be written on the white board at the club.

## Sailing & Paddling News

There were stronger winds than our little Vagabonds and Outriggers could manage on Sunday, so some of the sailors went into the shed and did some art/graffiti with a spray can. Now all the new Lifejackets have a logo on them and are ready to go. Moss likes spray painting and now most of the boats have logos on them too. Thanks to Moss for all his enthusiasm and to Ruth for the art work in providing logo stencils.

We are praying for better weather for the next Off the Beach Sailing & Paddling.

There is a good high tide on Father's Day Sunday 6th October at 12.15pm.

Rigging can start at 10.45 to make launch not lunch at 11.15

Sunday 6<sup>th</sup>. We may be the first to try the new boat launching facilities at the Club and let me say I hope it is the last leg of a long and hard road members have worked on to achieve safer boating.

Glynis Hayes & Rob Corbett will man the safety boat.

Hi Folks,

Coochiemuddlo paddlers got in contact and they are keen for meet-ups and a few fun races together every few months. Plus enjoy our club and facilities.

Could turn into a good regular event.

They have 2 old boy teams and a good mixed.

Have locked in Sunday 20th September for 1st as good 12:07pm high tide.

Hopefully a few short 3km fun races (that's all they want this trip, more a social thing first) straight out from club then a short sprint race, burgers, drinks and socialise.

They are bringing their crews and some partners.

Will talk soon about details, crews etc.

Cheers. Peter Hayward.

## Covid 19 Update (August 24, 2020)

With the sudden outbreak of Covid 19 cases south of Brisbane the Queensland Government has acted quickly to control the spread of the virus.

Restrictions have been put in place to limit the number of people gathering in areas to 10 inside and out.

However, because we elected to operate under Covid Industry Safety Plans we are exempt from these restrictions and therefore continue to operate as we have been doing. We operate under two plans, the Industry COVID Safe Plan for Queensland Hotels and Clubs and the Aquatic Sports Sector COVID Safe Plan, They are both explained elsewhere in this newsletter along with a specific plan designed to suit our requirements.

## Stage 3 – Easing of Restrictions Plan

### **The Industry Plans have been updated to Stage 3 requirements**

As of noon, July 3, 2020, the Queensland Government has eased the Corona Virus restrictions to Stage 3.

<https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/public-health-directions/business-activity/stage3>

With all businesses allowed to open, this will allow Queensland to open up, so people can start to get back to normal; a new normal.

The most important thing that we must continue to observe is the **Social Distancing rules**: 1.5 meters between people and allowing, in most cases, 4 square meters per person.

So far Queensland has escaped a second wave of the Corona Virus because we have observed the restrictions laid down by our

Government. If we continue to obey the rules, we will progress forward, and we will **not** finish up like Victoria.

### **Our Club**

We shall continue to operate in line with the Industry COVID Safe Plan for Queensland Hotels and Clubs.

[https://www.covid19.qld.gov.au/\\_data/assets/pdf\\_file/0033/129966/industry-covid-safe-plan-hotels-clubs.pdf?nocache-v1](https://www.covid19.qld.gov.au/_data/assets/pdf_file/0033/129966/industry-covid-safe-plan-hotels-clubs.pdf?nocache-v1)

However, we still need to have our own Plan to cover our specific conditions and this is updated in the following information.

# TINGIRA AHOY!

From Friday July 10 the following will apply:

- The main area and deck will be classed as one area rather than two as was required in Stage 2.
- Limitations of numbers: for areas less than 200 square meters, 2 square meters per person is allowed with a limit of 50 people. We can therefore seat up to 50 people on a Friday night.
- Members only, no guests.
- Bookings! Names on the white board. No phone bookings except those not on Macleay Island.
- **Seating as arranged. No extra chairs or tables to be added unless approved by the Commodore.**
- Food will be served straight to tables.
- **Dirty plates to be returned to the designated tables for collection by kitchen staff.**
- Drinks may be purchased from the bar; however social distancing must be observed, 1.5 meters.
- Follow the marks on the floor when in line to observe Social Distancing.
- Bar opening time 6.00 p.m. (Friday)
- Kitchen staff only in the kitchen.
- Follow marks on the floor while in line, when paying for your meal.
- Use credit/debit cards etc, instead of cash where possible.
- Names of those attending will have their names listed, as is customary. As only members are in attendance, addresses and mobile numbers are readily available from Club register if required,
- If you are ill, stay home, do not come to the Club.
- Download the COVID Safe App.
- **Observe instructions from the Commodore and Management Committee members.**

# TINGIRA AHoy!

## **Courtesy Bus** Ring Moss 0428 717 535

Observe Social Distancing Rules as instructed by the Driver.

Courtesy transport must be frequently cleaned and disinfected between uses.

Social distancing must be maintained as far as possible during use. A contact information list must be kept for members travelling on the bus for contact tracing purposes, including name, address, and telephone number for a period of at least 56 days.

## **Boating**

Stage 3 has also opened sporting activities. From our perspective, we can open more of the boating side of our Club.

By aligning the Club with the Aquatic Sports Sector COVID Safe Plan we can extend our operations to Dragon Boats, x6 Outriggers (OC6) and Sailing Boats.

[https://www.covid19.qld.gov.au/\\_data/assets/pdf\\_file/0008/130004/Aquatic-Sport-Sector-Industry-COVID-Safe-Plan.pdf?nocache-v1](https://www.covid19.qld.gov.au/_data/assets/pdf_file/0008/130004/Aquatic-Sport-Sector-Industry-COVID-Safe-Plan.pdf?nocache-v1)

**Dragon Boats:** Back to 20 Paddlers.

**OC6:** Six Paddlers.

**Sailing Craft:** Vagabonds. Two people per craft placed to observe Social Distancing requirements.

- All personnel visiting the Club for any reason, regardless of if they are using the Clubs equipment or as a spectator must provide their name, address and mobile number which will kept at the Club for 56 days in case of a COVID-19 outbreak.

# TINGIRA AHOY!

- A list of all paddlers in each boat to be kept for 56 days.
- Also, their destination and stopping points must be recorded.
- All shared equipment must be sanitised after each use.
- If you are ill, do not come to the Club.
- **Observe Social Distancing at all times, 1.5 meters.**
- Download the COVID Safe App
- Provide sanitising stations
- **Observe instructions from the Boating sub-committee and Management Committee members.**

**This plan may change from time to time as requirements are altered.**
