Guests of Members

Guests of members are now welcome to our Friday night dinners.

However, we must observe certain requirements set down by our Governments to protect us from the Covid-19 virus.

In case of an outbreak, the authorities need to track down those present at any one time. Therefore, all guests must supply their name, address and telephone number.

If you bring guests to the Club, it will be your responsibility to supply that information. To avoid congestion when booking in, the form below can be filled out prior to reaching the club.

Guest names must also be written on the white board at the club.

Sailing & Paddling News

The windy weather didn't help Sunday's vagabond sailors or the Oc6 Paddlers so the support crews turned their hands-on attitude to fixing some maintenance issues on the Safety Boat trailer. Now Peter Fox knows how to put a new set of wheel bearings in. Thanks Guys.

As disappointing as the Off the Beach Sunday's have been due to weather, there are great expectations for Saturday & Sunday the 19th & 20th when the Qld Jubilee Championships will be held at the Club. There will be briefing at 9:00am to welcome the sailors and to set the course etc.

A reminder for any members wanting to get their boat licence to contact the sailing master. We have Colin from Bayside Boat Licensing possibly coming next month. (17th October at 10:00am)

The cost is \$120.00 and to be eligible please complete an on-line questionnaire at baysideboatlicensing.com.au

We are happy to announce the new life jackets are ready for use to members.

Covid 19 Update (August 24, 2020)

With the sudden outbreak of Covid-19 cases south of Brisbane the Queensland Government has acted quickly to control the spread of the virus.

Restrictions have been put in place to limit the number of people gathering in areas to 10 inside and out.

However, because we elected to operate under Covid Industry Safety Plans we are exempt from these restrictions and therefore continue to operate as we have been doing. We operate under two plans, the Industry COVID Safe Plan for Queensland Hotels and Clubs and the Aquatic Sports Sector COVID Safe Plan. They are both explained elsewhere in this newsletter along with a specific plan designed to suit our requirements.

Stay Safe

Stage 3 – Easing of Restrictions Plan

The Industry Plans have been updated to Stage 3 requirements

As of noon, July 3, 2020, the Queensland Government has eased the Corona Virus restrictions to Stage 3.

<https://www.qld.gov.au/health/conditions/health-alerts/coronavirus-covid-19/current-status/public-health-directions/business-activity/stage3>

With all businesses allowed to open, this will allow Queensland to open up, so people can start to get back to normal; a new normal.

The most important thing that we must continue to observe is the **Social Distancing rules**: 1.5 meters between people and allowing, in most cases, 4 square meters per person.

So far Queensland has escaped a second wave of the Corona Virus because we have observed the restrictions laid down by our

Government. If we continue to obey the rules, we will progress forward, and we will **not** finish up like Victoria.

Our Club

We shall continue to operate in line with the Industry COVID Safe Plan for Queensland Hotels and Clubs.

https://www.covid19.qld.gov.au/_data/assets/pdf_file/0033/129966/industry-covid-safe-plan-hotels-clubs.pdf?nocache-v1

However, we still need to have our own Plan to cover our specific conditions and this is updated in the following information.

TINGIRA AHOY!

From Friday July 10 the following will apply:

- The main area and deck will be classed as one area rather than two as was required in Stage 2.
- Limitations of numbers: for areas less than 200 square meters, 2 square meters per person is allowed with a limit of 50 people. We can therefore seat up to 50 people on a Friday night.
- Members only, no guests.
- Bookings! Names on the white board. No phone bookings except those not on Macleay Island.
- **Seating as arranged. No extra chairs or tables to be added unless approved by the Commodore.**
- Food will be served straight to tables.
- **Dirty plates to be returned to the designated tables for collection by kitchen staff.**
- Drinks may be purchased from the bar; however social distancing must be observed, 1.5 meters.
- Follow the marks on the floor when in line to observe Social Distancing.
- Bar opening time 6.00 p.m. (Friday)
- Kitchen staff only in the kitchen.
- Follow marks on the floor while in line, when paying for your meal.
- Use credit/debit cards etc, instead of cash where possible.
- Names of those attending will have their names listed, as is customary. As only members are in attendance, addresses and mobile numbers are readily available from Club register if required,
- If you are ill, stay home, do not come to the Club.
- Download the COVID Safe App.
- **Observe instructions from the Commodore and Management Committee members.**

TINGIRA AHOY!

Courtesy Bus Ring Moss 0428 717 535

Observe Social Distancing Rules as instructed by the Driver.

Courtesy transport must be frequently cleaned and disinfected between uses.

Social distancing must be maintained as far as possible during use. A contact information list must be kept for members travelling on the bus for contact tracing purposes, including name, address, and telephone number for a period of at least 56 days.

Boating

Stage 3 has also opened sporting activities. From our perspective, we can open more of the boating side of our Club.

By aligning the Club with the Aquatic Sports Sector COVID Safe Plan we can extend our operations to Dragon Boats, x6 Outriggers (OC6) and Sailing Boats.

https://www.covid19.qld.gov.au/_data/assets/pdf_file/0008/130004/Aquatic-Sport-Sector-Industry-COVID-Safe-Plan.pdf?nocache-v1

Dragon Boats: Back to 20 Paddlers.

OC6: Six Paddlers.

Sailing Craft: Vagabonds. Two people per craft placed to observe Social Distancing requirements.

- All personnel visiting the Club for any reason, regardless of if they are using the Clubs equipment or as a spectator must provide their name, address and mobile number which will kept at the Club for 56 days in case of a COVID-19 outbreak.

TINGIRA AHOY!

- A list of all paddlers in each boat to be kept for 56 days.
- Also, their destination and stopping points must be recorded.
- All shared equipment must be sanitised after each use.
- If you are ill, do not come to the Club.
- **Observe Social Distancing at all times, 1.5 meters.**
- Download the COVID Safe App
- Provide sanitising stations
- **Observe instructions from the Boating sub-committee and Management Committee members.**

This plan may change from time to time as requirements are altered.
