Guests of Members

Guests of members are now welcome to our Friday night dinners and Sunday on the Deck.

However, we must observe certain requirements set down by our Governments to protect us from the Covid-19 virus.

In case of an outbreak, the authorities need to track down those present at any one time. Therefore, all guests must supply their name, address and telephone number.

If you bring guests to the Club, it will be your responsibility to supply that information. To avoid congestion when booking in, the form below can be filled out prior to reaching the club.

Guest names must also be written on the white board at the club.

TINGIRA AHOY!

The Tingira Paddle-Row-Sail Handicap Race

Ahoy there to all our Paddlers, OC6ers, Rowers and Sailors!

The Club is initiating a handicap race event for all of our off-the-beach water craft. The idea is the brainchild of Peter Hayward and aimed at conducting an event that includes all our different off-the-beach boats in one handicapped race event.

Trials to establish handicaps will commence from this Sunday. Anyone interested in paddling, rowing, sailing or SUPing their way around a 2.6 km course and having their time recorded for a FUN, but a bit serious timed handicap event in the new year (2021) please be at the club with your chosen off-the-beach water craft this Sunday 06 December at 12:00pm (weather permitting).

We hopefully will have a few Sundays (over the coming month or two) to record times - so if you can't make this one - no worries!

Competitors must be financial Club Members and the craft must be an off-the-beach design.

Peter Hayward will record the times of those interested and keep their times private if they wish.

Those deemed to be 'tanking' to advance their handicap will incur a severe penalty. 😊

Cheers

Peter Hayward and Peter Fox

Tingira Boat Club Name Change?

The Tingira Boat Club may need to consider changing its name given the sudden and remarkable change to the quality of cars seen parked outside our club recently. Gone are the island bombs we all know so well, replaced by this little beauty!

Perhaps the Tingira Boat Club may require a change to The Royal Southern Moreton Islands Boat Club to keep up the classiness of a particular life member.

This 1977 Rolls Royce Silver Shadow II is the latest acquisition of Club Member Barry Williamson, who bought the car from Bob Stampton's brother in Melbourne.

A big shout out to Max and Cathy for dropping whatever they had planned for Saturday morning and representing the Tingira Boat Club in the Lions Club Christmas Parade. What brilliant community spirit our little club has. Thank you!

Covid-19 Easing of restrictions November 17, 2020

With further easing of the Covid 19 restrictions by the Queensland Government, our Club will be able to accommodate more people for our Friday night dinners. Up until now we have been operating under the rule that premises with an area less than 200 sq. meters could use the one person per two square meter rule with a maximum of 50 people.

The government has removed the 50 people limit, which allows us to have 70 people under our roof.

I suggest that for normal members dinners we set the limit at 60 depending on the chefs and 70 for Fish and Chip nights. To control our numbers especially for fish and chips, prebooking is essential and names must be placed on the board by lunch time Thursday.

As far as social distancing is concerned the current table configuration should be retained but two extra chairs be added to allow eight people at a table rather than six.

The Queensland Government has done an excellent job retaining this Virus, however our greatest enemy is complacency.

Thank You

Boating

Stage 3 has also opened sporting activities. From our perspective, we can open more of the boating side of our Club.

By aligning the Club with the Aquatic Sports Sector COVID Safe Plan we can extend our operations to Dragon Boats, x6 Outriggers (OC6) and Sailing Boats.

OC6: Six Paddlers.

Sailing Craft: Vagabonds. Two people per craft placed to observe Social Distancing requirements.

- A list of all paddlers in each boat to be kept for 56 days.
- Also, their destination and stopping points must be recorded.
- All shared equipment must be sanitised after each use.
- If you are ill, do not come to the Club.
- **Observe Social Distancing at all times, 1.5meters.**
- Download the COVID Safe App
- Provide sanitising stations
- **Observe instructions from the Boating sub-committee and Management Committee members.**
