## Formation of a Tingira Cruising Group

An informal meeting of members interested in forming a Cruising Division within the Tingira Boat Club was held on Tuesday 18 January at the boat club.

Sailing Master Ian Waller-Wilkinson called the meeting in response to a suggestion from Club member Ray Ward who believes there are a growing number of Club members who own larger motor and sail boats but currently there are no club activities that focus on these members.

Those attending the meeting agreed that a Cruising Group should be established to organise regular cruising activities throughout the year.

Possible cruise destinations and tentative dates were discussed.

Ian Waller-Wilkinson will present a report to the Management Committee and seek ratification for the formation of a cruising group and sub-committee.

**Email Contact Group:** Members who are interested in being included in a Cruising Group email list should contact secretary Peter Fox so that this can be arranged. More information will be made available in our next newsletter.

## Tingira Hosts a Visit from Bay Island Early Learning and Care

20 young people from the Bay Island Early Learning & Care made a return visit to our Club on Wednesday 19 January. The vacation care group enjoyed a talk on **Keeping Safe in Boats**, meeting Bartholomew the Bunyip, listening to some stories being read and then a singalong with **Vicki MacDonald**.

They then enjoyed having lunch on the deck and a play on the foreshore.

After lunch we enjoyed some art activities with Vicky assisting them to create a jelly fish puppet from paper bowls and crepe paper and colouring in some boating safety posters and sheets sent to us from Qld Maritime Safety.

Both Vicky and I enjoyed our day with the young people but we don't mind admitting we were feeling a wee bit worn out by the end of the day.

**A hearty thank you to Vicki MacDonald for giving her time and entertaining our young guests with music and art activities.**

With thanks, Peter Fox.

## Thank you!

Ahoy there! Educators and children from Bay Island Early childhood education and care, Vacation Care would like to Thank you all for hosting us on the Wednesday 19-1-2022. The Children have established relationships with members of the Boat club. This has become evident in their participation in activities that you all had set up for us and is appreciated by children.

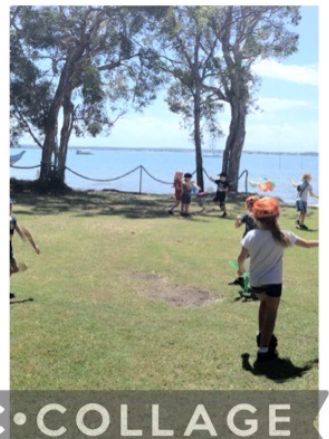

Children have broadened their understanding of the island culture in which we live in. Children applied a wide variety of thinking strategies to engage in the activity of making the jellyfish, an activity that was enjoyed by all. This was evident as they flew them around the Boat club Yard.

Again Thank you so much for sharing your knowledge and the Tingira Boat Club with all of us here at Bay Island Early Learning and Care, Vacation Care, we look forward to our next visit.

Miss Emmy-Lu and Vacation Care Children.

## Tuesday Boat Maintenance Days

Regular boat maintenance days at the Tingira clubhouse are set to resume from this Tuesday 25 January commencing at 9:00am. Last year saw a growing group of interested members meeting each week to work on the repair or refurbishment of boats and trailers. By the end of 2021 the refurbishment of the Mirror sailing dinghy was complete and maintenance work on our Vagabond sailboats and safety boats had been carried out.

The group has a mixture of those who possess boatbuilding and handyman skills and those wanting to learn some - all that's required is an interest in boats.

**And** it's not all just about work - each session includes morning tea on the deck and a discussion on all things nautical (and a general chin wag).

### Tuesday Boat Maintenance Day Details

Start time 9:00am (approx)

Club members are welcome to drop in for a sticky beak or lend a hand (or expertise).

Inquiries - Sailing Master Ian Waller-Wilkinson 0411 677 714
