## **Sailing News**

**So very glad we didn't go to Blakesleys.**

So happy with the interest in the trip though.

So, Saturday 11th June is the new date. Little Ships Club have an overnight trip to Blakesleys planned for that day and I have had a message from some in our club members, with joint membership, to meet them at Blakesleys. A high tide at 7:40pm Saturday night making departure of the beach easy for boaties. Hope I've got the weather right this time.

## **Tuesday Maintenance**

After the Corsair got painted and we took 101m of masking tape off, it's ready for resetting the rigging, so if you want to see how the sailors get the most out of a boat, be there. For a cuppa and a chat of course. Tuesday is the only day we'll have before the pontoon goes on the Blakesleys trip 11/6/22. Come and lend a hand to put the new roof on.

## **Pontoon Pandemonium**

Last Tuesday the maintenance crew focused on getting the pontoon ready for Blakesleys. The focus wasn't on the tide and the pontoon was stranded on the beach. Tides made it impossible to float it off during the day and one night's refloating was unsuccessfully managed. A team of volunteers turned up the next night, 1am Sunday, with torches and raincoats on, they slipped into the dark water to push the pontoon off the beach. Then after finding and securing it to its mooring, the kayaks, brought for the return to shore were boarded. Wow. Let's thank, Moss, Max, Jen and Ian.

## **Safety Boat Training Meeting**

There are some dedicated safety boat operators here in the club and they are doing a great job of covering your back when need be.

As you may have noticed the experienced skippers have been joined by new crew members and now, they are doing the skipper role as well.

There is safety training and revision for all who participate in this support role and we want a meeting with all crew and skippers and anyone who would like to have a go. We will also make a roster to suit everyone's availability and experience. You are all welcome to attend the meeting Sunday 29th of May at 11am.
