Sailing News

The weather has delayed the Pontoon working bee and it won't be ready for the trip to Blakesleys. It's a shame, and sorry but only a delay till we finish the rooftop on our illustrious pontoon.

**New date for Pontoon Working Bee.
Tuesday 14th June 9am**

There wasn't great attendance for the safety boat orientation day but there are some new members coming on board and a lot of volunteers happy to be on the safety boat roster.

The Sailing Master will be sending a roster rough draft to all those volunteering to crew and to experienced skippers.

Here's to better weather. 😊
