## Our Friday Night Coral Escape

Last Friday night's members dinner had a real 60's feeling ....

A trip back in time to the wonderful 60's (for those who may remember those years 😎😄) the songs and melody's of a generation of change and freedoms.

We were all transported by our very own "Macleay Island Coral Choral's" performance, sending us California Dreamin' of free love, flower power, flares and grandpa shirts.

Everyone joined in, singing loud and long to well loved melody's and long remembered lyrics.

A great evening of food and memories, enjoyed by all.

**Our thanks to all members of the choir.**

### **California Dreamin'**

All the leaves are brown  
And the sky is grey  
I've been for a walk  
On a winter's day  
I'd be safe and warm  
If I was in L.A.  
California dreamin'  
On such a winter's day
