Tuesday's Boat Maintenance Days Resume

After a bit of a spell our regular boat maintenance days will resume on Tuesdays at 9:00am. Our upcoming project is refitting our newly repainted Corsair sailing dinghy with rigging and getting it out on the water once more. Members are invited to come along and lend a hand and share (or pick up) some boat maintenance skills. At the same time, enjoy some socialising with other boaties. We always enjoy an extended morning tea on the deck.

Marine Safety Presentation Round-Up

Last Saturday morning at our club rooms, Chris Marshall from Coast Guard Redland Bay and our very own Paul Hollingdale from VMR, provided a wonderfully informative presentation on all aspects of Marine and boating safety, including local waterway navigation and marine beacon recognition. 20 + Members attended, and all agreed it was a great way to refresh and enhance our onboard safety and basic navigational skills, plus update all emergency numbers and VHF radio channels.

Both Chris and Paul informed the group of the impending Federal and State government move to join both Volunteer Coast Guard and Volunteer Marine Rescue into the one entity called "Marine Rescue". The integration is scheduled to commence over the next few months and will be gradually rolled out over the next few years. They explained that there will be no change to what and how assistance is provided to the boating public, and will be "business as usual" as far as operational procedures go.

On behalf of the Tingira Boat Club, we extend our thanks to both Chris and Paul for providing us with such an informative presentation.

We have begun work on our next Boating work-shop event, organising a VHF Radio Licence day. Stay tuned 😊

Miguel Andujar - Boating Industry Association's Qld Rep

Club Member Miguel Andujar has very recently commenced work as BIA's Member Services Rep in QLD. So it was very fitting and a pleasure for him to attend our marine safety presentation in a supporting role on behalf of the BIA. He has written and submitted a news report of the presentation along with some photos to BIA for publication.

We wish Miguel well in his new position.

Sailing Report - Sunday 21 May (Courtesy of Chrissy Carrick)

Our Sailors had to contend with a fresh westerly breeze (BRRRR) with accompanying choppy waves. Two short course races were sailed.

Trevor Rogers and visitor Leanne (aka Lenny) relished the weather conditions and came 1st across the line in both races. Sonia Robinson and Miguel Andujar also handled the conditions well achieving second place in both races.

Jacquie Hope and Louise Gallard managed a third place in the first race before retiring to the shore. Don Newman introduced junior member Shona to sailing with some exhilarating rides in the fresh conditions. PJ Smith and Leanne Bruce sailed in Vagabond 6 but retired due to some equipment problems.

A big thank you to Ian Waller-Wilkinson and Chrissy Carrick for starting and finishing the races out on the Pontoon and to Peter Lawson and Peter Fox who crewed in the safety boat.

Club Members Bus Tour Thursday 01 June 2023 "Indigiscapes, Wellington Point Farm, Lunch and Shopping"

A Club day excursion is being arranged for **Thursday 01 June**. The excursion will include a visit to the Redlands indigiScapes Centre and then the Wellington Point Farmhouse Restaurant and Coffee Shop for lunch.

On the way back to the Redland Bay barge terminal there will be time for a short stop at Victoria Point for a quick shop at Woolies and/or Dan Murphys.

At the IndigiScapes Centre there are several activity options to choose:

- Visit the IndigiScapes Cafe for morning tea (tea, coffee and a selection of scones, banana and raspberry bread and croissants are available).
- Visit the Native Community Nursery (open from 10:00am). The nursery holds a variety of beautiful native plants that are perfect for backyards on Redlands Coast and Islands. All plants are tube stock and \$3 each.
- Visit the botanic garden trails and get inspiration for your own backyard.

At the Wellington Point Farm we will have the opportunity to visit Market Hall which offers a variety of fruit vegetables and dairy and then have lunch at the Farmhouse Restaurant or the Coffee Shop.
