VHF Radio course:

The Motor-boat group section of our Boat Club is currently organising a **VHF Radio Course** to be held in our club rooms in the coming weeks.

The radio course is called "**An Australian Waters Qualification**" (AWO) and enables you to use the qualification to apply via AMSA for a MMSI number should you require it.

It allows you to use a VHF radio in Australian waters within 12 NM of the coastline.

The course takes approx **4 Hours** to complete and will cost **\$70.00 per person**.

We need to have at least **10 people** to commit to the course to enable it to be run here at our club rooms on the island.

If you are interested, please email Jim Smith at admin@tingiraboatclub.com or text him on 0417893213 asap.

Tuesday - Boat Maintenance Days

Our regular boat maintenance days are held each Tuesday of the week and always include a collegial cuppa tea or coffee on the deck.

Tuesday 13 June: Work to continue fitting out the Corsair sail boat.

Remove the power tilt and remount the engine onto our safety RIB 'Tango'.

Tuesday 20 June: Work to be carried out on the Club Pontoon.

Please come along and lend a hand if you can.

Off-the-Beach Sailing - Sunday 04 June

Although the clouds looked threatening, the predicted showers did not eventuate. The breeze, mainly from the SSE, fluctuated from gentle to moderate in strength. Wind shifts were common and made sailing the course interesting. Sudden changes in wind direction either gave a big advantage or a big disadvantage depending on what tack they were on at the time.

Racing between crews was quite competitive and exciting with changes in placement quite common during each race.

Two newbies made their Vagabond sailing debut. **Leanne Bruce** sailed with Peter Fox and **Terry Hegarty** sailed with Don Newman.

Out on the pontoon **Ian Waller-Wilkinson** and **Bruce Legg** did a great job of starting, finishing and recording each race. **Bob Stampton** and **PJ Smith** crewed the club's safety boat *Sandpiper*. **3 million cheers** and a big thank you to our volunteers who help out on the water each Sunday.

Geoff and Cheryl's Travel Notes

Expect the Unexpected

One of the many churches and monasteries we have visited, this one in Georgia, taken with a drone by one member of our tour group.

A demonstration in making Lavash bread in Garni, Armenia

What a surprise Armenia has been.

More developed than Georgia, Yerevan, the capital is alive and buzzing. Here is the War Memorial, Mother of Armenia standing guard over the city. The eternal flame can be seen in the foreground.
