Christmas In July Round-up

What a wonderfully delicious luncheon - our chefs Maree Lallensack and Moya Fox with assistance from Bronwyn Simcox and Kerry Otter and to all the club volunteers assisting on the bar, driving the bus, setting up and cleaning up on the day - a very big "Bravo"!! to all.

Everyone enjoyed the live music provided by the talented Chrissy Carrick and Elly Hart, especially when Elly provided a rousing full French rendition of Edith Piaf's "Je Ne Regrette Rien", absolutely beautiful.

Fun and entertainment continued through-out the afternoon with Vice-Commodore Maree running hilarious Christmas quizzes and games for all ages to enjoy.

The afternoon wound down around 4:00pm with everyone departing with full bellies and a very warm Christmas-cheer glow in their cheeks.

Again, our biggest Congratulations to all those involved in the organising of the event, it was "Simply the Best".

Powerboat Group VHF Radio Course Report

By Mike Hatfield

We started the day at 7:30 at the Macleay jetty.

Very soon the brand new coast guard vessel arrived, so new that it was still sparkling clean and not a gram of bird poo.

We set off for Reddy Bay at around 28 knots and we were treated to a detailed explanation of the boat's features and specifications by the very excited captain.

On arrival we were met by our trusty teacher for the morning, John and after brief introductions we delved into the mysteries and secret protocols of radio communications.

Fortunately, nobody issued a mayday or pan pan for an urgent or imminent need for a nature stop.

This was followed by a 28 question written guessing quiz to test our levels of memory retentiveness.

Next was our radio skills practical test to see which one of us would make the biggest muck up.

Mayday Mayday Mayday, this is Sinking Sally Sinking Sally somewhere in the bay.....As you might expect there were some strange interpretations of the theory.

Nonetheless we all managed to pass the written and practical tests and are now proud owners of VHF radio operator licences.

Our hope is to organise another VHF course in the near future, so please register your interest with Jim Smith or Paul Hollingdale.
