

QUEENSLAND JUBILEE CHAMPIONSHIPS 2023

At MACLEAY ISLAND – TINGIRA BOAT CLUB

Saturday 30th September through Monday 2nd October

RACE REPORT

Tingira Boat Club hosted an auspicious event for the National Jubilee Association – Queensland Branch - on Saturday 30th September through Monday 2nd October 2023. All hands were on deck to prepare and deliver a memorable experience for Club members, volunteers, and most importantly, the Jubilee owners, skippers and crews for the 3-day event.

There were 7 races over 3 days. In a remarkable straight run, JESSICA, owned and skippered by Bruce Legg, aced the whole series by winning each and every race. Any observer would have been forgiven for thinking Bruce had a motor on board! During the competition, all 7 Jubilees and sailors performed with expertise and team spirit, with no major mishaps. Each and every yacht was sailed proficiently. Congratulations, and thanks, go to all Jubilee sailors from Tingira Boat Club.

The weather and breezes were kind; great food and refreshments provided for all guests and members, and a camaraderie between everyone in attendance saw a truly successful weekend of sailing off Sandpiper Beach, Macleay Island.
